Congratulations

on purchasing your
BRAVIA Professional Display

Your new BRAVIA Professional Display

This monitor is NOT a TV but is based on the BRAVIA TV range.

FWD is our professional commercial name, the regulatory names for the displays remain the same as the BRAVIA TV chassis and the table below shows the correlation of commercial name to regulatory name:

Commercial name	Regulatory name	Commercial name	Regulatory name
FWD-98Z9G/T	KD-98ZG9	FWD-55X85G/T	KD-55XG8505
FWD-85Z9G/T	KD-85ZG9	FWD-49X80G/T	KD-49XG8096

The best of both worlds:

Sony Professional commercial models benefit from the same state of the art picture and audio quality of our consumer models, but with dedicated professional additions: robust 18/7 use compliancy, portrait compatibility*, professional mode, advanced control and native compatibility with Sony Professional solutions (TEOS, signage, mirroring, corporate). These models also come with a unique 3 years warranty with advanced exchange of a new model in the unlikely event your display should fail.

Expanded after-sales care options for BRAVIA Professional Displays

PrimeSupport Pro

Included at no extra cost, PrimeSupportPro goes beyond a standard warranty with access to expert technical assistance for 3 years. Our freephone telephone helpdesk provides support in 5 languages, including answering questions on setting up and using the display as well as helping with problems or faults.

Advanced Exchange

Over and above a standard warranty but included as standard, receive a completely new replacement model rather than repair with Advanced Exchange.

PrimeSupport Plus

Optional PrimeSupport Plus packs can be purchased to add a 2-year extension to the standard 3-year PrimeSupport, and to give long-term assurance of expert support and technical assistance for a total of 5 years from the purchase date.

For full information and pricing details, please get in touch with your Sony team or email primesupport@sony.com

TEOS

The TEOS suite of corporate solutions covers every aspect of workplace management, from room booking to data analysis, virtual receptions to digital signage

Present wirelessly from laptops to BRAVIA Professional Displays

TEOS Connect makes meetings more efficient and less stressful, with quick set-up and no messy cables to worry about. There's also no extra hardware needed – the technology's built right into BRAVIA so you're ready to go.

Design and schedule impressive digital signage for BRAVIA Professional Displays

TEOS Manage enables users to create colourful, eye-catching, and touch-interactive signage and distribute it across networked displays. For non-technical users, a revolutionary "email to signage" feature simplifies the workflow – just email a PowerPoint slide to a chosen address.

Easily manage all your networked BRAVIA Professional Displays

With TEOS Manage enjoy a dashboard-style overview of devices, locations, activity status, green management settings, and data analytics. Control your BRAVIA Professional Displays scheduling on and off times and grouping displays by location for easier management.
